## BASE FRAMES

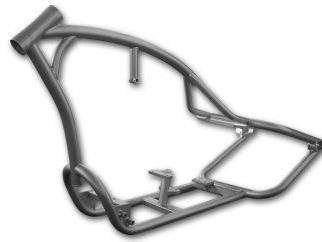

Unlike most shops, our primary business is building motorcycle and chopper frames. We offer frames built to any specifications, as well as our own line of production frames. We manufacture **Rigid**, **Softail** or **Swingarm** in many configurations you're looking for. From pro-street to bobber to full blown choppers, we have a set-up to fit your next build. All our chopper frames and frame work is done with **American made DOM tubing**, CNC machined and **TIG welded**. Each frame or rolling chassis kit comes with an **MSO**, which you'll need for titling.

**WARLORD (SOFTAIL ONLY)**  
Style: Softail / Hidden Shock  
Tire Size: 180/200 .... \$1475

## Fender Blanks

Our fender blanks spun and constructed from 12 gauge cold rolled steel and TIG welded. Every fender is built to order. Each blank is a full 180° with a minimum of 6" sidewall. Custom shaping, cutting and mounting is also available. Ask for details.

### REAR FENDER BLANKS

Tire Size	Width	
130-150	6.75"	\$225
180-200	9.25"	\$275
230-240	10.5"	\$300
240-250	11.5"	\$315
250-280	12.5"	\$325
300	13.5"	\$425
330	14"	\$435
360	15.5"	\$450

### FRONT FENDER BLANKS

Tire Size	Width	
16"	6.5"	\$225
19"	5"	\$225
19"	6.5"	\$250
21"	4.75"	\$225
21"	5.75"	\$275
23"	6.75"	\$325

## Gas Tanks

Gas tanks are built from 14 gauge cold rolled steel stampings, TIG welded and pressure tested. All tanks are built to order. Includes pop-up cap with center, right or dual fill. Tunnel width is 2¼". Tanks have recessed mounts, 2 crossover fittings, and threaded petcock.

All Tanks .....\$695

## Oil Tanks

You have several options to choose from, each with its unique advantages to fit the style you're going after. Either built-in or bolt on, each of our oil tanks is hand built out of 14 gauge cold rolled steel and pressure tested to assure a lifetime of service.

Most of our oil tanks are available with side fill or top fill, with your choice of with or without built-in battery box. **Call For Pricing**

## SPRINGERS

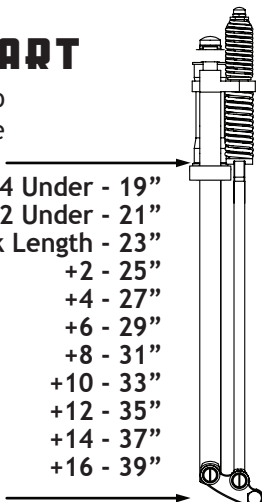

All springers are CNC machined and TIG welded and built in-house. Every springer is built to order. The standard length Springer is 31" measured from top bearing to the axle. Each Springer is shipped raw metal and comes with axle, chrome springs, chrome rockers, and hardware. Powder coating or color match paint available.
